*We have formed a growing group of professionals from across the country who are deeply concerned about the direction we are heading and the impact it will have on everyone's financial future. As founder of **Wealth & Wisdom**, Leonard A. Renier has received international acclaim for his vision and courage for challenging traditional financial planning. His energy and knowledge are helping to create a new wave of financial thinking. Leonard recognizes that we are living in an ever-changing historic time, and that people need more knowledge in order to make better financial decisions*
